

## Meet Us

#### Jade Hunt

### Founder

Jade founded Hygge Pixels to create a welcoming online space where cozy gaming fans can connect, share, and celebrate relaxing games. Through her passion for community-building and aesthetics, she curates content and fosters a stress-free, inclusive environment for all.

#### Celeste Hunt

#### Community Manager

Celeste, the Community Manager at Hygge Pixels, fosters an inclusive and engaging space for cozy gaming fans through social media, virtual events, and user feedback. With a passion for storytelling and digital engagement, she strengthens connections between players and developers while promoting a warm, welcoming community.

#### Benjamin Allred

#### Coding Specialist

Benjamin, the Coding Specialist at Hygge Pixels, ensures the platform runs smoothly by optimizing performance, maintaining accessibility, and implementing new features. With a passion for web development and cozy gaming, he creates a seamless, stress-free space where players can connect and engage.

# About Us

We are a community-driven website dedicated to cozy gaming. Our mission is to provide helpful tips, tricks, and insights on games, consoles, and moreguiding you through a relaxing and enjoyable gaming experience.
